SUMMARY

Motivated and accomplished third-year Bachelor of Technology in Computer Science and Engineering (CSE) student with a strong foundation in core computer science principles and problem-solving skills. Proficient in various programming languages (including Python), front-end technologies, and key data structures and algorithms. Demonstrates a keen interest in exploring different areas within computer science and expanding knowledge through continuous learning and professional development. Possesses a collaborative spirit and thrives in challenging environments, eager to contribute to impactful projects and embark on a fulfilling career path within the dynamic field of computer science.

EDUCATION

Gandhi Institute of Technology and Management, Visakhapatnam

Bachelor's in Computer science and engineering
2021-2025

Sri Chaitanya

Intermediate
2019-2021

Sri Chaitanya

Matriculation
2019

SKILLS

- Strong organizational and time-management skills
- Exceptional communication and interpersonal skills
- Ability to work independently and as part of a team
- Detail-oriented and able to handle multiple tasks simultaneously
- Enthusiastic about staying updated with the latest trends and advancements in technology.
- Quick learner with the ability to adapt to new technologies and tools.
- Adept at analyzing complex problems and proposing effective and creative solutions.
- Proficient in Python programming, demonstrating the ability to develop robust and efficient solutions for diverse software applications.
- Strong skills in front-end technologies such as HTML, CSS, and JavaScript.

CERTIFICATIONS

- Data Science from Academor
- IBM Data Science from Coursera

PROGRAMMING SKILLS

- Python
- C
- Java
- Javascript
- HTML
- CSS

PROFESSIONAL EXPERIENCE

Data Science

Academor | June 2023- July 2023

- proactively engaged in a 2- month internship program at Academor, specializing in the field of data science.
- Actively engaged in cross-functional collaboration, regularly contributing innovative ideas and insights during team meetings; received recognition for outstanding teamwork and commitment to learning
